	SUBJ. : CONTRACT EC-E-1965	
	Dear Floyd:	
	Last October, we received approval for our ECP No. DNP 19, which covered the fabrication and installation of an intercom system in the	STATINTL
	Ready Room facility at BW-5. The quotation at that time was	
STATINTL	to and completed all the work, with the exception of installation of the intercom system, which had to be rodified.	STATINTL
	The travel and work accomplished should have fallen within the funding shown above. Upon receipt of the wall consoles, we were asked to quote the necessary resairs and/or modifications as well as the addi-	STATINTL
	tional travel required to send these gentlemen back to for final installation. We quoted this secondary effort at a lot-price of and received Amendment #4 to the subject contract covering that amount	STATINTL
STATINTL	However, to date, we have not received a modification to Contract EC-H 1965 in the amount of as approved under the ECP. Your cooperation is issuing this amendment will be appreciated. If you have any questions, pieces give us a call.	
	Very best regards	,
